## WHEN YOU REACH THE TOP...KEEP CLIMBING!

The ALL-NEW Zen Master™ pushes the limits of symmetric ball motion to the max.

The S77 Response™ Solid Cover creates more defined peaks and valleys microscopically speaking. With its 3000-Grit Abralon® finish, this proven cover will offer never before seen traction within the 800 Series. Paired with the massive, quick-revving Meditate™ Core...the Zen Master will keep you climbing even further!

PSA	0.013	0.012	0.012	0.010	0.008

The HB Revival will be a perfect compliment to the HB Intensity. With it's polished hybrid cover, it will maintain that skid/flip shape once the pattern breaks down.

# START YOUR ENGINES

The ALL-NEW Burner Solid and Burner Pearl have been purposely engineered to give you a great 1-2 punch on medium-light oil! Both feature the popular S62™ Cover which will always be in play when there is extra friction on the lanes. The engine in these beauties is the brand new Centroid™ Core. This unique shape will help eliminate some of the over/under you can see with value performance bowling balls.

RG	2.68	2.69	2.69
Diff.	.006	.006	.006

Everyone has experienced the ferocity of the Honey Badger on strike shots...now it's time to see that same attitude on spares. Offered in an aggressive yellow color, your fellow bowlers will be sure to notice this ball going down the lane!!

The 900 Global Shammy was designed with one purpose in mind... removal of oil. It is critical to keep oil out of the cover of the ball. Wipe your ball down with the shammy prior to every shot and you will see increased performance shot to shot. When your shammy gets dirty, all you have to do is hand wash it in the sink and let it air dry.
