ABOUT THE TOURNAMENTS

The Storm Youth Championships were created in 2017 and launched with two events. The vision for the SYC began as a way to give back to the bowling community, educate youth bowlers, and invite the whole family to participate. We have given more than \$769,000 in scholarship funds to youth athletes. Since that first event, the SYC has welcomed thousands of youth athletes and their parents to celebrate the best parts of bowling. At every SYC, we encourage every person in attendance to make a new friend, learn a few things, and give back to the bowling community by raising money and awareness for the chosen charities.

Who is eligible for the SYC?

1. This event is open to all USBC Youth Members (under the age of 18 as of August 1).
2. There is no average eligibility or qualification needed to enter the SYC. Whether it's your first large event or you're a member of Junior Team USA, all levels of bowlers are welcome.
3. Each round will be played on KEGEL sport patterns designed specifically for the SYC.
4. As part of your entry, you will add a Storm performance bowling ball to your tournament arsenal.

SYC Age Divisions

1. There are 6 divisions: U18B, U18G, U15B, U15G, U12B, U12G. Use the USBC Date of Birth Chart to verify the proper division. If a division has less than 6 players, it will be combined with another division. If a player does not wish to compete in a co-ed division a full refund will be awarded and a player on the waiting list will be added to the event.
2. Bowlers in the U12 or U15 division may exercise the option to participate in the U15 or U18 division by notifying SYC@stormbowling.com in writing.

USBC Date of Birth Chart:
8/1/12 or later = U12
8/1/09 - 7/31/12 = U15
8/1/06-7/31/09 = U18

NOTE ON YOUTH USBC MEMBERSHIP:

USBC Youth Membership is good through October 1 of the following season for summer leagues and tournaments. Youth who turn 18 during the season are not granted the October 1 extension for tournament play; youth membership expires July 31 of the season in which they turn 18 years old.

The Event

Our SYC Team continues to strive to create events that include a welcoming environment where youth bowlers and their families are invited to visit great bowling communities, meet new friends, and learn by competing on challenging conditions developed by KEGEL.

Each event includes optional activities that are available for bowlers who wish to participate in the popular activities. These include seminars focused on educating athletes and their families led by one of our Team Storm members and a practice session on the patterns. In addition, we host social activities that allow the SYC families to get to know each other off the lanes when our schedule allows.

The top three bowlers in each gender and age-based division are awarded with bronze, silver and gold medals. In addition to the scholarship funds awarded to participants, at the conclusion of the tournament the overall champions receive a special SYC trophy, medal, and earn a SYC banner that will be hung at each SYC event until they age-out of competition.

If you have questions, contact SYC@stormbowling.com

GIVING BACK AND DOING GOOD FOR OTHERS

When a family chooses to spend the weekend at a SYC in 2024, they can do so knowing they will help someone else along the way.

Charitable giving has long been a focus at Storm Products Inc. When the SYC was created in 2017, Storm immediately chose to align these events with a way for youth bowlers to learn the importance of giving back to others.

The SYC has aligned with two non-profit organizations. A portion of every entry will be shared between Ballard vs the Big "C" (BVBC) and Make-A-Wish Utah.

BALLARD VS THE BIG "C"

Since 2017, we have raised more than \$100,000 for BVBC from entries, jersey sales, and donations from on-site raffles.

"BVBC and the Ballard Family have been a special part of the SYC since the very first event," Hulsenberg said. "We've watched our friend, Del Ballard, Jr. who was diagnosed in May of 2010 with tonsil cancer fight every day on his cancer journey. We're proud to support BVBC as they bring the bowling community together to support those who are fighting through their own cancer journey."

In 2024, \$5 of every entry will go directly to Ballard vs. The Big "C." to continue to fight the war against cancer.

MAKE-A-WISH® UTAH

Kids Helping Kids is such a powerful and influential message.

In 2024, \$5 of every entry will continue to be given to given to Make-A-Wish® Utah. Make-A-Wish grants life-changing wishes for children going through critical illnesses. According to their website, "For wish kids, just the act of making their wish come true can give them the courage to comply with their medical treatments. Parents might finally feel like they can be optimistic. And still others might realize all they have to offer the world through volunteer work or philanthropy."

In 2023, we raised more than \$15,000 which granted two wishes.

SYC BELIEFS

FRIENDSHIPS - Through the SYC, we have found that friendships are quickly formed between participants & parents. You'll be spending the whole weekend with the same group. Say hello to those who you are bowling with and ask them where they are from. You never know when you might see them on the lanes again!

RESPECT - We believe in respecting your fellow competitors. This means following one-lane courtesy, encouraging those who might be new to an SYC, and making sure all the scores are written down on the pair.

COMPETITION - The SYC names national champions at each event. We do our best to give you a safe place to learn and showcase your skills.

GIVING BACK - Every SYC gives back to a great charity! We partner with Ballard vs the Big "C" and Make-A-Wish Utah to raise funds for those who are suffering or recovering from cancer treatment. Every entry is a way to help someone else.

POSITIVE ROLE MODELS - Our SYC Athletes are always polite to the bowling centers we visit and the parents throughout the event. We don't even need to remind you! We hope that you will leave the event and continue to be a positive role model every time you step on the lanes!

TOURNAMENT CONSIDERATIONS

The SYC began in 2017 and we have hosted events every year since the start of the tournament, including during the worldwide pandemic of 2020 & 2021. The safety of our SYC Family is our top priority and we know that each parent & youth bowler makes decisions that are right for them regarding the attendance of events. We do our best to encourage positive behaviors among the youth athletes and considerations towards health & wellness.

- If you have a fever over 100, are feeling sick, please contact the SYC Team to withdraw from the event. While we are looking forward to seeing everyone, we care about your health and the health of those around you than your attendance!
- **REFUND POLICY:** To withdraw, please contact the SYC Team at syc@stormbowling.com. A full refund (minus CC processing fees) is available up to 14 days prior to the event. Emergency situations, illness, situations regarding COVID-19 will be handled on a case-by-case basis.
- Due to the number of requests that we have received, we can no longer honor pairing requests at this time. If an SYC is held at two centers, we will announce a deadline for squad requests.
- As always, if you see something or feel uncomfortable at any time, please locate an SYC Team Member.

THE CHAMPIONS

SYC Champions continue to demonstrate their dedication to the sport of bowling after the event concludes. Many continue to find ways to give back to their local communities and encourage other youth athletes to participate in competitive activities or even find ways to start their own youth tournaments to grow the sport.

Past champions have continued to excel at the youth level earning national titles and representing the United States on Jr. Team USA. Some of the athletes have also used what they learn to compete collegiately and even on the PBA and PWBA Tours. Their dedication to the sport is evident but SYC athletes also learn to be dedicated to giving back and staying committed to their education. Through scholarship and the opportunities to learn about college bowling, athletes develop a desire to continue to learn at a higher level and discover their passions. The opportunities available to these bowlers through the sport of bowling are endless. The SYC builds connections for these families that can last a lifetime.

Junior Team USA member, Gianna Brandolino, age 16, recently **tied** the record for SYC Titles when she earned title #12 at the SYC in Michigan. Brandolino earned her first SYC title at the first event she bowled in Smyrna in 2019. Since 2022, she has bowled just 11 events and won 8 titles. In total, she has won 12 of 19 events. The Brandolino family have been supportive of the SYC events and their fellow competitors since Gianna was in the U12 division. Brandolino also competed in the PTQ for the PWBA Rockford Open and made it into the main field.

Prior to Brandolino, the SYC title record was held by Spencer Robarge and Jillian Martin at 12 SYC titles each. Robarge who now attends Wichita State University finished third at the 2021 USBC Masters. He was named the National Collegiate Bowling Coaches Association (NCBCA) Rookie of the Year in 2022. In 2023, he was named NCBCA Most Valuable Player and NCBCA Player of the Year. Jillian Martin notably became the youngest PWBA Champion at 17 years old, earning the 2021 PWBA BowITV Classic title. She was named NTCA Rookie of the Year in 2023 and earned the U.S. Amateur Title in 2023 and made two stepladder finals on the 2023 PWBA Tour. They both are currently members of Team USA. In 2024, she became the youngest to win a USBC Queens title in Green Bay.

“The SYC was created and continues to be conducted with a pure heart and clear vision that youth are the future of the sport,” Hulsenberg said. “If you have bowled or plan to bowl an SYC, we thank you. We are committed to growing the sport together and continuing to do good along the way.”

Lane Courtesy

We practice one-lane courtesy at SYC Events. Please be sure to look to the right and left before starting your approach.

Respect your fellow competitors. Just because you finish your game, do not enter the next settee area until the pair is done.

Any Issues During The Round

If you have issues during a game such as a scoring issue or anything you need help with, find a tournament official and clearly explain what occurred. The official will ask other bowlers on the pair if they saw what occurred.

If you have a foul dispute, stay at the line and ask another bowler to check to make sure your foot is behind the line. Then find an official.

Writing Down the Scores

One bowler (or parent) can volunteer to keep scores for the pair at the SYC. This is usually the first person who finishes on the pair. We ask that these sheets are left in the bowlers area so our score keepers can easily find them when they are collecting scores between games.

If you are NOT writing down your scores, check your score to be sure that it is written correctly.

Make a Friend

Introduce yourself to all the bowlers on your pair before you get started. Parents, this goes for you too! Great friends are made at the SYC & other parents have great advice for traveling, finding tournaments, and competition.

Being a Good Sport

Be a good sport! You never know who's watching and learning from your actions. We have all ages at the SYC. You never know who you might become a role model to.

Bullying

Bullying will NOT be tolerated. If you see something, please report this to an official.

Saying Thanks

When you are done with the tournament, thank the tournament team, bowling center team, and anyone else organized with the event. Tournaments take a great deal of time and planning.
